

# WILDFIRE PREVENTION FOR HOMES IN THE COMMUNITY

- Preparing defensible space around homes and property.
- Evacuation Plans & Go Kits.
- How to harden your home & fuel mitigations.
- What will the public safety response be?
- How will you be notified in an emergency?

**DATE:** November 20, 2019

**LOCATION:** Layton City Center  
Council Chambers  
437 North Wasatch Drive

**Time:** 7:00-8:30 PM

**ROBERT SANDERS**

**Fire Warden for Davis &  
Salt Lake Counties**

Robert is currently the Fire Warden for both Davis and Salt Lake Counties. He is employed by the Department of Natural Resources, within the Forestry, Fire and State Lands division. His role is to work and support local fire municipalities pertaining to wildland suppression and the managing of these fires. He also assists individual home owners and communities with information and guidance in preparing for wildland fires by preparing defensible space around homes and property.
