

"ARE YOU READY?"

April is Earthquake Preparedness Month

Earthquake Training: Wednesday, April 11, 2018

Guest Speaker: Maralin Hoff (Earthquake Lady)

She will be talking about how you can make and create emergency backpacks - ready to grab and go in case you receive a knock at the door to evacuate the area. Update kit(s) at the change of season ... exchange to warmer clothing for winter and cooler clothing for summer.

Learn about the safe areas, how to protect yourself due to earthquake shaking whether you are home, at work, the doctor's office, or the store and what to do when you're on the road during ground shaking. Reminders for storing food, water storage, and how to rotate stored items... tips on starting a tradition by giving emergency items as gifts.

Come and learn the essentials to prepare for an earthquake.

Location: Council Chambers at Layton City Center, 437 North Wasatch Drive

Time: 6:30-8:00 PM

It's time to prepare for The Great Utah **Shake Out**™
