

# *Recycling 2019*

Davis League of Women Voters will present a public program on updated issues about recycling. Our panel of experts includes County Commissioner Bob Stevenson, Morgan Bowerman from Wasatch Resource Recovery, which just

opened a plant to convert waste food into energy in North Salt Lake; and a representative from Clearfield Recycling, a private recycling business. Our panel looks forward to answering your questions about more effective recycling.

Families are welcome.

**Monday April 15, 7-8 PM**

**Farmington Library**

**133 S Main, Farmington**
