

Utah Special Needs Registry

There is never a
guarantee of
immediate assistance
during an emergency,
so you should be
prepared to be
Self-sufficient for at
least three days.

What is the Special Needs Registry?

The Special Needs Registry allows residents with Access and Functional needs and organizations assisting them an opportunity to provide information to Utah's Emergency Management communities for their planning efforts.

How do I Register?

Online:

- Go to the SNR website:
www.specialneedsutah.org
- Fill in the requested information
- Submit your information online
- Update your information on an annual basis
