#### ***Layton City Fire Department – Engineer/Paramedic and K-9 Cole Returns from Texas***

At 9:30 PM yesterday evening, Layton Fire Department Engineer/Paramedic Roxanne Bauman and her search canine Cole returned home after being deployed as part of Utah Task Force 1 (UT TF-1) to Hurricane Harvey.

Engineer Bauman and Cole have been certified by FEMA as a Type 1 Live K-9 Search team since May of 2014.

She was stationed at a base of operations in Katy, a western Houston suburb, assisting with victim removal from rescue boats to collection points. UT-TF1 worked alongside California Task Force 5 (CA TF-5) and teams made multiple rescues daily.

**Layton City Fire Department PIO would like to invite the media to interview Roxanne on her experiences in Texas and see her dog perform at the agility course.**

**Where: Layton City Training Tower 1890 N Fort Lane Layton Utah 84041**

**When: 9-8-17 Time: 2pm-4pm**
