**Jeff M. Johnson**

State School Readiness Coordinator  
& Division Safety Officer

Division of Emergency Management  
Department of Public Safety

Jeff has been employed with State of Utah Department of Public Safety for 12 years. During those years he has worked in the Division of Emergency Management as an adjunct FEMA instructor for National Incident Management Courses, the State Coordinator for the Citizen Corps & Community Emergency Response Team Program and is currently the State Coordinator for the School Readiness Program. Jeff is also assigned as the Division of Emergency Management Safety Officer, and is the Safety Officer for the State Emergency Operations Center.

Jeff has extensive background and training in Disaster and Emergency Preparedness.
