

CERT is about people helping people.

You will learn how to take care of your family first and then how to do the greatest good for the greatest number of people.

Through training, you will learn how to manage utilities, put out small fires and treat the three killers by opening airways, controlling bleeding, and treating for shock.

Provide basic medical aid; search for and rescue victims safely; and organize themselves and spontaneous volunteers to be effective.

BE PREPARED, NOT SCARED!

Register for Online CERT Course

Lecture portion of the CERT course is online, at your pace.

You will need to complete the hands on portion to become CERT certified. See below for dates

\$25.00 per person

Once you have registered, a link to the Online portion will be emailed to you. If you do not receive the link, please send an email to ntholen@laytoncity.org, requesting the link.

Dates below are for the hands on portion of the course only. Lecture portion is done at your own pace and must be completed before you do the hands on portion.

YOU MUST ATTEND ALL HANDS ON DAYS TO BE CERTIFIED

CHOOSE A COURSE THAT BEST FITS YOUR SCHEDULE

September 2021 course dates: 16, 18 & 25 (see website for times).

October 2021 course dates: 28, 30 & November 6 (see website for times).

Great time for families to take CERT together in your own home. However, each person must register for the course and take the quizzes at the end of each unit to become certified. If you have any questions, please contact:
