Projects for Eagle Scouts and Volunteers
(Please call prior to choosing a project)

Suggestions from the Fire Chief: 801-336-3940

- **Summer:** Weeds and brush cleared around the fire hydrants
- **Winter:** Clearing snow around the hydrants; markers attached to assist in locating hydrants in the snow
- **Spring:** Assist with wildland urban interface public education programs, such as education, brush/fuel removal programs, and evacuation planning, coordinate efforts with Fire Marshal
- **Fall:** Assist Fire Prevention Bureau with improving school education programs in conjunction with Fire Corps

Parks and Recreation: 801-336-3900

- Call to see if any projects are available

Suggestions from Public Works: 801-336-3720

- Roadside clean up. City may provide trash bags and dispose of filled bags
- Paint fire hydrants. City may provide paint

Other Suggestions:

- Contact United Way for other opportunities at 801-736-8929
