Dear Friends, Neighbors, and Fellow Layton City Residents,

Here is today’s update:

COVID-19

In the past 24 hours, Utah experienced an increase of 41 confirmed cases, two of which were in Davis County. In order to forestall any spread within our public buildings, which would impact essential services, we have taken additional measures. While Utility Services will be open, we are curtailing face-to-face transactions. There will be a table in the lobby containing the necessary forms for the different methods of payment. There is an internal drop-box for depositing payments. (The outside drop-box is still accessible and payments deposited there will be retrieved at least daily.) There will be a telephone on the table that is directly connected to our clerks, in case any questions arise. Please consider this is an opportunity to explore our online payment options.

We have also suspended our passport services. Our facilities are not large enough to accommodate the social distancing as established by the public health officials. All other departments and services can be accessed online, over the telephone, or by appointment. Again we request your patience and understanding as we address this ongoing issue.

Changing topics, please look out for your neighbors and find opportunities for service, in a prudent manner. For example, this is a great time to donate to the food-bank or pantry in your area. Another critical need is for blood donations. The Red Cross here in Layton is setting up appointments, along with other steps, to enable donations while meeting the requirements of the public health orders. Please go to their website, make an appointment, and help another in this time of serious need.

Earlier today the Governor announced Utah’s plan for a health and economic recovery. To learn more, please go to the coronavirus.utah.gov website for further information.

Thank you again for your compliance with the current public health orders.

Respectfully yours,

Mayor Joy Petro
Councilmember Zach Bloxham
Councilmember Tom Day
Councilmember Dawn Fitzpatrick
Councilmember Clint Morris
Councilmember Dave Thomas
